

## Fifth Grade Classroom Rules

### "Would You Like Fries With That?"

Each student will start every day with five fries in their fry container. If a rule is broken then you must pull one fry. The rules are as follows:

1. Hand in homework on time.
2. Do not use the word *can't* or any other unwholesome talk.
3. Do not talk when someone else is talking (that includes the teacher).
4. Follow school rules.

Each fry that is pulled will result in the following:

- 1 fry: Must stay in 5 minutes from recess.
- 2 fries: Must stay in 10 minutes from recess.
- 3 fries: Student must write parents a letter explaining what the misbehavior was and how they will correct it.
- 4 fries: Student will be sent to Mrs. Quiring's office.
- 5 fries: Teacher/Parent/Student conference.

We will be having fabulous "Fry-days" where the students that keep all five of their fries for the following number of days throughout the whole week will receive:

- 3 days: A piece of candy.
- 4 days: A piece of candy and a good behavior coupon.
- 5 days: Candy, coupon, and a FREE homework pass.
