Dear Parents,

Our God's Love party will be on the 14th (Tuesday) at 2:00. We will be making boxes in class to put the valentines in this week, so please send a shoebox to school with your child (or something similar) that he or she may decorate. I also ask that the valentines this year contain compliments for each recipient. We've been talking about encouraging one another during our Bible lessons lately and I think that would be a fun way to practice building one another up.

We go to the nursing home on Thursday this week. There will be an English test on Friday, as well as a verse test. There is a spelling test on Tuesday (2-14).

Have a blessed week!
